

September 11, 2018

Dear Parent or Guardian,

This school year your child will receive Rights, Respect, and Responsibility education as a part of the Cass Lake-Bena Elementary School overall Health Education curriculum starting September 24. In kindergarten, topics will include:

- Different Kinds of Families
- Understanding our bodies- the basics
- My space, Your space
- Demonstrate ways to show respect

You are welcome to contact Gina Stender, School Social Worker, to preview the lesson we will be teaching your student. Lessons are also available on the district website here [\(include link\)](#).

The Cass Lake-Bena Elementary School acknowledges parents/guardians are the primary health educators for their child/children. We are committed to partnering with you to provide supplementary resources to support you in this role.

Parents/guardians have the option of excluding their child from any portion of the Health Education instruction if it is in conflict with conscious, moral, or religious beliefs. If this is the case with your child, please fill out the exclusion form below by September 21 and send it back to school with your child. Students who are excused will complete regular classroom assignments in the Panther Den.

Sincerely,

Josh Grover
Elementary School Principal
Cass Lake-Bena ISD #115

Gina Stender (School Social Worker),

I wish for my child, _____, to be excused from this
portion of the health education unit.
