

How Parents Can Be Engaged in School Improvement

Elementary and Middle Schools

Our schools are continuously striving to improve—to better meet the needs of your children, our children, this community's children. We welcome many viewpoints; we welcome your viewpoint! How can you add your voice to the conversation? How can you learn more?

1. You can always reach out to the school's principal. Call, email, meet in the office.
2. Become a parent member of the school's Leadership Team. This team works directly with school improvement. Meetings are typically twice a month after school. Contact the principal or Wendy Brunelle, wbrunelle@isd115.net.
3. Join the Parent Action Committee, which meets typically at 4:30 p.m. the second Tuesday of each month during the school year in the elementary music room. Contact Wendy Brunelle, wbrunelle@isd115.net.
4. Go to LIEC, which meets at 5:30 p.m. the second Wednesday of each month in the high school culture room. If you'd like to be a member, contact Luann Frazer, lfrazer@isd115.net. If you can't be a member, you're welcome to attend as a guest—one meeting or several meetings or every single meeting.
5. Watch this "parent resource" page, information sent home, and social media for occasional updates. If you'd like more involvement, see numbers 1-4 above!
