Summer Culture Club

There will be three fun-filled days to experience and learn about the outdoors this summer. Depending on participation, additional days may be planned according to desire and weather. Parents are welcome!! Activities will include Berry & Medicine Picking, Salve Making, Mushroom Hunting, and Plant Identification & after we will be Swimming at a local beach. All activities will be done outside in the woods, so participants are required to pack Long Socks or a pair of Pants, Bug Spray, a Picking Pail, Swim Wear, a Towel, Sun Screen, a Water Bottle, & a Snack. We have a 15 passenger van reserved for our adventures and the sights are no more than 20 miles away. Please drop your child off at the Elementary by 8:30am to eat breakfast. We will come back to eat lunch at NOON, and they will be ready to be picked up at the Elementary by 3:00 pm. Permission slips must be signed prior to participation.

Any questions call:     JASMIN LARSON (218)-214-3066

__________________________________________ has my permission to attend Summer Culture Club. We understand that we practice our ROARS in the woods, just as we would at school. Students must pack Long Socks or Pants, Bug Spray, a Picking Pail, Swim Wear, a Towel, Sun Screen, a Water Bottle, & a Snack in a Back Pack to participate.
